Dear Parents
Greetings!

- ❖ You all are aware that the school management and the staff members are striving hard to provide quality education to your children smoothly in spite of the pending fee dues.
- ❖ Annual Result of the session 2021-22 is already declared. Classes for the new session 2022-23 are in progress.
- ❖ So you are requested to clear all outstanding dues as Development Charges/ Examination Fee/ Monthly Tuition Fee of the previous session 2021-22 at the earliest so that your ward may continue his/her education smoothly.
- ❖ Kindly take it as the most important and urgent failing which may lead to inconvenience in this regard.
