Notice

Subject: Pending Dues of Previous Session 2021-22

Dear Parents

This is to bring to your notice that the dues of your ward are pending of the previous session (2021-22). As you are well aware that the school has been very cooperative and allowed your ward to continue regular classes in spite of pending dues of last year. You have also not taken the result of the previous session (2021-22) hence your ward is not registered in the new class in the school records.

You are requested to deposit all pending dues of last session by April 29, 2022 positively so that your ward can be registered in the new class/session to ensure proper conduct of examinations of the current year starting from First Periodic Test in May. Please ignore if already paid.
