Circular

Dear Students & Parents

The festival of '**Vaisakhi**' holds great importance as it marks the **harvest season** and celebrate prosperity, joy and gratitude towards nature. It is also historically significant as it commemorated the establishment of the **Khalsa Panth**, symbolizing courage, unity and faith.

- To help students understand and connect with these cultural and natural values, the school is organizing a **field visit to nearby fields** for students of classes **U.K.G & L.K.G** on **Friday** i.e. **April 10, 2026**. This initiative will allow children to experience nature closely and appreciate the importance of agriculture in our lives. Students are encouraged to come in traditional Punjabi attire along with comfortable shoes for the visit.
- Additionally, the school will be celebrating '**Khalsa Saajna Diwas**' on **Monday** i.e. **April 13, 2026**. Students of Pre Nursery and Nursery are encouraged to come dressed as in **traditional Sikh attire** to mark occasion with enthusiasm and cultural pride.

We look forward to your cooperation in making these events meaningful and enjoyable for the children.
