Circular

**Subject: Mandatory Aadhaar Card Biometric Update Camp for Students
(Age 5–15 Years)**

Dear Parents,

As per Letter No. **G-4/2026/Aadhar Updation/361005** dated **15-05-2026**, it is mandatory for all students between 5 and 15 years of age to get their Aadhaar biometric details updated.

To facilitate this process, the school is organizing a Mandatory Aadhaar Card Biometric Update Camp in the school campus exclusively for our students. Parents are requested to ensure the presence of their child on the scheduled date and time and to strictly follow the guidelines issued by the school.

This is a one-time opportunity being provided by the school to complete the mandatory biometric update conveniently. Parents are requested to treat this matter with the utmost importance.

Please note that if your ward fail to avail this facility and his/her mandatory biometric update is not completed during the camp, the entire responsibility for getting the Aadhar updation shall rest solely with the parents. The school shall not be held responsible for any inconvenience or consequences arising due to non-compliance.

Please note:

1. Parents are not required for this camp.
2. This camp is ONLY FOR AADHAR CARD BIOMETRIC UPDATE and NOT for new AADHAR CARDS.
3. The students must carry photocopy of their AADHAR CARD. Parents must write one mobile number to be linked with AADHAR CARD on the photocopy and then attest with sign and date.

Your cooperation in ensuring timely completion of this mandatory process is highly appreciated.

Principal
