Dear Parents

With the onset of the monsoon season, there has been a noticeable rise in seasonal illnesses such as cold, cough, viral fever and stomach infections. In the interest of the health and well-being of all our students, we request your cooperation in the following:-

- * It has been observed that several students are coming to school sick and are being sent back during school hours. This not only affects child's health but also disrupts the school routine system and learning environment.
- * Please do not send your child to school if he/she is feeling unwell, even if symptoms appear mild.
- * In case a child falls sick during school hours, parents will be informed immediately, and the student will be sent back home with parent only.
- * Kindly ensure they take proper medicine/treatment, adequate rest and recover fully at home. Submit a medical leave application in the office for any absence due to illness. Medical fitness certificate from M.B.B.S/M.D. should be submitted in the office at the time of rejoining in the school.

We sincerely appreciate your understanding and cooperation in maintaining a healthy school atmosphere for everyone. Let's work together to ensure the safety and smooth functioning of the school during this season.

Principal
